CONCERT ATTIRE FOR WOMEN

FORMAL CONCERT ATTIRE:

Black concert gown

Plain black flats or low pumps

Jet black pantyhose or knee-highs – not off-black

Jewelry (optional) – not gaudy or too bright

Notes on formal concert wear:

- The concert gown will be ordered for you by the Concert Attire Committee.
- These dresses are special orders, requiring up to 6 weeks to be manufactured, and are non-returnable and non-exchangeable. (The gown will need to be hemmed to 1-1/2" off the floor when you are wearing your concert shoes.)
- Please reimburse VMS \$100 when you receive the dress.
- Jewelry should be small and simple.

Please wear the gown only for formal concerts and not for private use. Remove dress after the event in order to increase wear of fabric and decrease possibility of stains, etc. Wash only by hand or by machine (inside out, delicate cycle) in cold water and hang to dry. Use Woolite or another mild soap. When on tour, packing the gown in tissue will minimize wrinkling.

FRAGRANCES: Out of respect for those who suffer from allergic conditions, or whose voices are adversely affected, do not wear products with fragrance during performances or rehearsals.

LESS FORMAL CONCERT ATTIRE:

Floor length black skirt or dress slacks

White blouse

Black jacket or sweater (optional)

Plain black flats or low pumps

Jet black pantyhose or knee-highs – not off-black

ATTIRE FOR MASS OR OTHER LITURGICAL EVENTS:

Attire from your personal wardrobe that would be appropriate for the worship setting.

The ability of VMS to use the current attire depends on being able to supply it to all our women members. If you resign from the chorus, you may either donate your concert dress back to VMS or return it on a consignment basis. If you choose the latter, you will receive payment when another woman purchases your second hand attire.
